A12 - Post-Closing Date Disclosure

Capital Home Loans Limited ("CHL"), in its capacity as originator, has undertaken to the Issuer and the Trustee, on behalf of the Noteholders, that it will retain, on an ongoing basis, a material net economic interest of at least 5% in the securitisation in accordance with each of Article 405 of Regulation (EU) No. 575/2013 of the European Parliament and of the Council of 26th June 2013 on prudential requirements for credit institutions and investment firms (the "Capital Requirements Regulation" or the "CRR") and Article 51 of Regulation (EU) No 231/2013 of the European Parliament and of the Council of 19 December 2012 (the "Alternative Investment Fund Managers Regulation" or the "AIFMR") and Article 254(2) of the Commission Delegated Regulation (EU) 2015/35 of 10 October 2014 supplementing Directive 2009/138/EC of the European Parliament and of the Council of the business of Insurance and Reinsurance (Solvency II) (the "Solvency II Delegated Act") (which, in each case, does not take into account any corresponding national measures) (the "Retention Requirement"), to the extent the regulations above continue to apply. In order to satisfy the Retention Requirement, CHL hold a 5% interest in each Class of Notes being, in this case 5% of the principal amount outstanding of each of the Class A, Class B, Class C, Class D, Class E, and Class F Notes. Any change to the manner in which such interest is held will be notified to investors.

Covid-19 Information

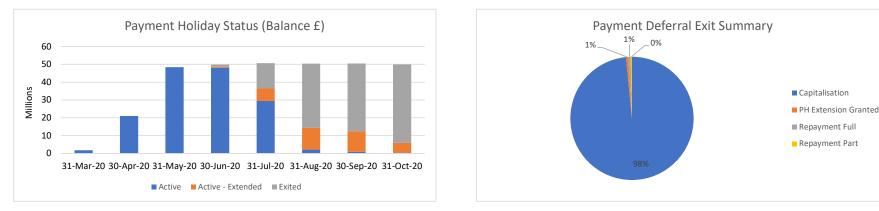

General Information

Following the guidance from the FCA and UK Government published in March 2020, Lenders (and Mortgage Servicers as applicable) are required to offer up to a 3 Month Payment Holiday to those customers that self-certify that they or to the extent the customer is a BTL landlord, their tenant, have been negatively impacted by the COVID-19 pandemic. CHL's approach is to actively support those customers that have been adversely affected by Covid-19, and have a technology solution to support and manage the application of these requests. Further details can be found at CHL's website: https://www.chlmortgages.co.uk/category/news

Payment Holiday Information

Whether a loan is currently up to date or in arrears, CHL will ensure that all approved Payment Holiday cases (where the borrower has completed a declaration and request form) will not result in a change of its arrears profile. The loans will have a frozen arrears position for the term of the payment holiday. In all payment holiday cases, the borrowers credit reference agency records will not be adversely affected by the payment holiday. The table below shows the current volume of borrowers that have had an approved Payment Holiday request processed by CHL. In addition, loan level information on the portfolio will also be made available at www.euroabs.com from the 30 April 2020 portfolio cut-off date.

<u>Glossary</u>

Arrears	Arrears are calculated in accordance with standard market practice in the UK.
	A mortgage loan as at MIA Relevant Time is identified as being in arrears when, (a) the aggregate amounts which are due and payable by the relevant Mortgage Borrower under such Mortgage Loan but which remain unpaid, less (b) the aggregate amounts which the relevant Mortgage Borrower has pre-paid or overpaid with respect to the Mortgage Loan prior to MIA Relevant Time.
	"MIA" means a ratio calculated with respect to a Mortgage Loan as at the MIA Relevant Time representing: (a) the Arrears Amount as at the MIA Relevant Time, divided by (b) the current Mortgage Instalment.
	"MIA Relevant Time" means close of business on the last working day of a calendar month.
Unscheduled Repayments Received in Period	Unscheduled Repayments comprise payments from the Originator for the repurchase of loans from the portfolio, and capital prepayments and redemptions from the Borrowers other than those received at the expected term end date of the loan.
Monthly Constant Prepayment Rate (CPR)	Monthly CPR means the total unscheduled prepayments received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period. Unscheduled prepayments comprise redemptions from the Borrowers other than those received at the expected term end date of the loan.
Monthly CPR Net of Repurchased Loans	Monthly CPR Net of Repurchased Loans means the total unscheduled prepayments plus the payments from the Originator for the repurchase of loans from the portfolio received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period.
Total Redemption Rate (TRR)	Total Redemption Rate means the total scheduled repayments, unscheduled prepayments and the payments from the Originator for the repurchase of loans from the portfolio received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period.

<u>Glossary</u>

Current Balance	"Current Balance" for each Mortgage Loan means, at any given date, the aggregate balance of the amounts charged to the Mortgage Borrower's account in respect of a Mortgage Loan as at such date (but avoiding double counting) including: (a) the original principal amount advanced to the relevant Mortgage Borrower and any further amount (including any Further Advance or Flexible Drawing) advanced on or before the given date to the relevant Mortgage Borrower and secured or intended to be secured by the related Mortgage; and (b) any interest, disbursement, legal expense, fee, charge, rent, service charge, premium or payment which has been capitalised in accordance with the relevant Mortgage Conditions or with the relevant Mortgage Borrower's consent or capitalised in accordance with the Seller's normal charging practices and any applicable regulatory obligation and added to the amount (including, for the avoidance of doubt, Accrued Interest and Arrears of Interest) which is due or accrued (whether or not due) and which has not been paid by the relevant Mortgage Borrower's consent or in accordance with the Seller's normal charging practices and any applicable regulatory obligations but which is secured or intended to be secured by the relevant Mortgage Borrower and has not been capitalised in accordance with the relevant Mortgage Conditions or with the relevant Mortgage Borrower's consent or in accordance with the seller's normal charging practices and any applicable regulatory obligations but which is secured or intended to be secured by the related Mortgage.
