**A12 - Post-Closing Date Disclosure**

Capital Home Loans Limited ("CHL"), in its capacity as originator, has undertaken to the Issuer and the Trustee, on behalf of the Noteholders, that it will retain, on an ongoing basis, a material net economic interest of at least 5% in the securitisation in accordance with each of Article 405 of Regulation (EU) No. 575/2013 of the European Parliament and of the Council of 26th June 2013 on prudential requirements for credit institutions and investment firms (the "Capital Requirements Regulation" or the "CRR") and Article 51 of Regulation (EU) No 231/2013 of the European Parliament and of the Council of 19 December 2012 (the "Alternative Investment Fund Managers Regulation" or the "AIFMR") and Article 254(2) of the Commission Delegated Regulation (EU) 2015/35 of 10 October 2014 supplementing Directive 2009/138/EC of the European Parliament and of the Council on the taking-up and pursuit of the business of Insurance and Reinsurance (Solvency II) (the "Solvency II Delegated Act") (which, in each case, does not take into account any corresponding national measures) (the "Retention Requirement"), to the extent the regulations above continue to apply. In order to satisfy the Retention Requirement, CHL hold a 5% interest in each Class of Notes being, in this case 5% of the principal amount outstanding of each of the Class A, Class B, Class C, Class D, Class E, and Class F Notes. Any change to the manner in which such interest is held will be notified to investors.

**Covid-19 Information**

**General Information**

Following the guidance from the FCA and UK Government published in March 2020, Lenders (and Mortgage Servicers as applicable) are required to offer up to a 3 Month Payment Holiday to those customers that self-certify that they or to the extent the customer is a BTL landlord, their tenant, have been negatively impacted by the COVID-19 pandemic. CHL's approach is to actively support those customers that have been adversely affected by Covid-19, and have a technology solution to support and manage the application of these requests.

Further details can be found at CHL's website: <https://www.chlmortgages.co.uk/category/news>

**Payment Holiday Information**

Whether a loan is currently up to date or in arrears, CHL will ensure that all approved Payment Holiday cases (where the borrower has completed a declaration and request form) will not result in a change of its arrears profile. The loans will have a frozen arrears position for the term of the payment holiday. In all payment holiday cases, the borrowers credit reference agency records will not be adversely affected by the payment holiday. The table below shows the current volume of borrowers that have had an approved Payment Holiday request processed by CHL. In addition, loan level information on the portfolio will also be made available at [www.euroabs.com](http://www.euroabs.com) from the 30 April 2020 portfolio cut-off date.
