A12 - Post-Closing Date Disclosure

Capital Home Loans Limited ("CHL"), in its capacity as originator, has undertaken to the Issuer and the Trustee, on behalf of the Noteholders, that it will retain, on an ongoing basis, a material net economic interest of at least 5% in the securitisation in accordance with each of Article 405 of Regulation (EU) No. 575/2013 of the European Parliament and of the Council of 26th June 2013 on prudential requirements for credit institutions and investment firms (the "Capital Requirements Regulation" or the "CRR") and Article 51 of Regulation (EU) No 231/2013 of the European Parliament and of the Council of 19 December 2012 (the "Alternative Investment Fund Managers Regulation" or the "AIFMR") and Article 254(2) of the Commission Delegated Regulation (EU) 2015/35 of 10 October 2014 supplementing Directive 2009/138/EC of the European Parliament and of the Council on the taking-up and pursuit of the business of Insurance and Reinsurance (Solvency II) (the "Solvency II Delegated Act") (which, in each case, does not take into account any corresponding national measures) (the "Retention Requirement"), to the extent the regulations above continue to apply. In order to satisfy the Retention Requirement, CHL hold a 5% interest in each Class of Notes being, in this case 5% of the principal amount outstanding of each of the Class A, Class B, Class C, Class D, Class E, and Class F Notes. Any change to the manner in which such interest is held will be notified to investors.

LIBOR to SONIA Transition

Per the market notice and and subsequent notice period ending on 30 September 2021, the resolution was passed to transition all LIBOR based benchmarks to SONIA with effect February 2022, with the final Libor benchmark being applied from 20 November 2021 for the succeeding Interest Period to 21 February 2022. This transition will apply to all of the Floating Rate Note classes and Liquidity Facility accordingly.

A12 Non-call announcement (16 January 2023)

NOTICE IS HEREBY GIVEN that the Issuer understands that, given current market conditions, the Mortgage Portfolio Call Option Holder will not proceed with a refinancing of the Auburn 12 securitisation at this time and therefore the Notes will not be redeemed on their first optional redemption date (the "FORD"), being the Interest Payment Date falling in February 2023. The Mortgage Portfolio Call Option Holder will continue to explore a refinancing and the redemption of the Notes post-FORD on a subsequent Interest Payment Date in due course.

A12 Liquidity Facility Cancellation (20 February 2023)

In accordance with the Liquidity Facility Agreement, on and from the FORD (20 February 2023) the requirement to establish the Liquidity Reserve Fund through principal receipts was duly funded to the Liquidity Reserve Required Amount, therefore the Liquidity Facility provided by Barclays (Barclays Bank PLC as Committed Liquidity Facility Provider, and Sunderland Receivables S.A as uncommitted Liquidity Facility Provider) was duly cancelled.

Mortgage Portfolio Purchase Announcement (25 January 2024)

NOTICE IS HEREBY GIVEN that the Issuer understands that the current expectation of the Mortgage Portfolio Purchase Option Holder is that it will exercise the Mortgage Portfolio Purchase Option on the Interest Payment Date falling in May 2024. There can be no certainty as to whether the Mortgage Portfolio Purchase Option Holder will exercise the Mortgage Portfolio Purchase Option. The Mortgage Portfolio Purchase Option Holder's current expectations are subject to change and should not be construed as notice to exercise any rights in respect of such Mortgage Portfolio Purchase Option (which notice may or may not be given). In addition, the Issuer understands that it is the current expectation of the Mortgage Portfolio Purchase Option Holder that the Mortgage Portfolio may be repurchased following the next quarterly Interest Payment Date falling in February 2024, but before the Interest Payment Date falling in May 2024, and potentially combined into a single new securitisation financing in April 2024 with the mortgage portfolios held by (i) Towd Point Mortgage Funding 2019 - Auburn 13 PLC and/or (ii) Towd Point Mortgage Funding 2020 - Auburn 14 PLC. For the avoidance of doubt, however, there can be no certainty as to that and the Mortgage Portfolio Purchase Option Holder's current expectations are subject to change.
