A14 - Post-Closing Date Disclosure

On the Closing Date, CERH (directly or through its wholly owned subsidiary) will hold the economic exposure to the EU Retention Notes issued by the Issuer for the purposes of the European Union Retention Requirement. CERH as Retention Holder will undertake to retain (directly or through its wholly owned subsidiary) the economic exposure to the EU Retention Notes for the life of the transaction either for its own account for the account of its wholly owned affiliate. The aggregate Principal Amount Outstanding of securities which CERH holds (or holds through its wholly owned affiliate) the economic exposure on the Closing Date is expected to be £42.384m being the EU Retention Notes which, together with 5 per cent. of the Class XB Certificates, constitutes the U.S. Required Risk Retention Interest as well as a maximum of £73.422m in additional securities which, unlike the EU Retention Notes and U.S. Required Risk Retention Interest, are not required to be held by CERH and may be placed separately before, on, or after the Closing Date.

16 January 2023 - Non-call announcement

NOTICE IS HEREBY GIVEN that the Issuer understands that, given current market conditions, the Mortgage Portfolio Purchase Option Holder will not proceed with a refinancing of the Auburn 14 securitisation at this time and therefore the Notes will not be redeemed on their first optional redemption date (the "FORD"), being the Interest Payment Date falling in February 2023. The Mortgage Portfolio Purchase Option Holder will continue to explore a refinancing and the redemption of the Notes post-FORD on a subsequent Interest Payment Date in due course.

25 January 2024 - Mortgage Portfolio Purchase Announcement

NOTICE IS HEREBY GIVEN that the Issuer understands that the current expectation of the Mortgage Portfolio Purchase Option Holder is that it will exercise the Mortgage Portfolio Purchase Option on the Interest Payment Date falling in May 2024. There can be no certainty as to whether the Mortgage Portfolio Purchase Option Holder will exercise the Mortgage Portfolio Purchase Option. The Mortgage Portfolio Purchase Option Holder's current expectations are subject to change and should not be construed as notice to exercise any rights in respect of such Mortgage Portfolio Purchase Option (which notice may or may not be given). In addition, the Issuer understands that it is the current expectation of the Mortgage Portfolio Purchase Option Holder that the Mortgage Portfolio may be repurchased following the next quarterly Interest Payment Date falling in February 2024, but before the Interest Payment Date falling in May 2024, and potentially combined into a single new securitisation financing in April 2024 with the mortgage portfolios held by (i) Towd Point Mortgage Funding 2018 – Auburn 12 PLC and/or (ii) Towd Point Mortgage Funding 2019 – Auburn 13 PLC. For the avoidance of doubt, however, there can be no certainty as to that and the Mortgage Portfolio Purchase Option Holder's current expectations are subject to change
