## A11-Post-Closing Date Disclosure

The aggregate fair value, expressed as a percentage of the fair value of all of the Notes and the Certificates issued by the Issuer on the Closing Date, of the Class E Notes, the Class $Z$ Notes, the SDC Certificates and the DC1 Certificates (together, the "Risk Retained Securities") retained by the Retention Holder as of the Closing Date, based on actual sale prices and finalised tranche sizes is approximately $7.18 \%$.
The fair value, expressed as a percentage of the fair value of all of the Notes and the Certificates issued by the Issuer on the Closing Date, of the Risk Retained Securities that the Retention Holder is required to retain under the U.S. Credit Risk Retention Requirements is at least equal to $5 \%$ of the fair value of all of the Notes and the Certificates issued by the Issuer, as determined using the fair value measurement framework under U.S. generally accepted accounting principles. We confirm that the valuation methodology or any of the key inputs and assumptions that were used in calculating the fair value as disclosed in the Prospectus dated 16 February 2017 do not differ from the methodology or key inputs and assumptions used to calculate the fair value on the Closing Date.

## Glossary

Arrears
Arrears are calculated in accordance with standard market practice in the UK.
A mortgage loan as at MIA Relevant Time is identified as being in arrears when,
(a) the aggregate amounts which are due and payable by the relevant Mortgage Borrower under such Mortgage Loan but which remain unpaid, less
(b) the aggregate amounts which the relevant Mortgage Borrower has pre-paid or overpaid with respect to the Mortgage Loan prior to MIA Relevant Time.
"MIA" means a ratio calculated with respect to a Mortgage Loan as at the MIA Relevant Time representing:
(a) the Arrears Amount as at the MIA Relevant Time, divided by
(b) the current Mortgage Instalment.
"MIA Relevant Time" means close of business on the last working day of a calendar month.

Unscheduled
Repayments Received in Period

Unscheduled Repayments comprise payments from the Originator for the repurchase of loans from the portfolio, and capital prepayments and redemptions from the Borrowers other than those received at the expected term end date of the loan.

Monthly CPR means the total unscheduled prepayments received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period. Unscheduled prepayments comprise redemptions from the Borrowers other than those received at the expected term end date of the loan.

Monthly CPR Net of Repurchased Loans

Monthly CPR Net of Repurchased Loans means the total unscheduled prepayments plus the payments from the Originator for the repurchase of loans from the portfolio received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period.

Total Redemption Rate (TRR)

Total Redemption Rate means the total scheduled repayments, unscheduled prepayments and the payments from the Originator for the repurchase of loans from the portfolio received during the period divided by the aggregate current balance of the loans comprised in the mortgage portfolio at the beginning of the period.

## Glossary

| Current Balance"Current Balance" for each Mortgage Loan means, at any given date, the aggregate balance of the amounts charged <br> to the Mortgage Borrower's account in respect of a Mortgage Loan as at such date (but avoiding double counting) <br> including: <br> (a) the original principal amount advanced to the relevant Mortgage Borrower and any further amount (including any <br> Further Advance or Flexible Drawing) advanced on or before the given date to the relevant Mortgage Borrower and <br> secured or intended to be secured by the related Mortgage; and <br> (b) any interest, disbursement, Iegal expense, fee, charge, rent, service charge, premium or payment which has been <br> capitalised in accordance with the relevant Mortgage Conditions or with the relevant Mortgage Borrower's consent or <br> capitalised in accordance with the Seller's normal charging practices and any applicable regulatory obligation and <br> added to the amounts secured or intended to be secured by the related Mortgage; and <br> (c) any other amount (including, for the avoidance of doubt, Accrued Interest and Arrears of Interest) which is due or <br> accrued (whether or not due) and which has not been paid by the relevant Mortgage Borrower and has not been <br> capitalised in accordance with the relevant Mortgage Conditions or with the relevant Mortgage Borrower's consent or <br> in accordance with the Seller's normal charging practices and any applicable regulatory obligations but which is <br> secured or intended to be secured by the related Mortgage, as at the end of the Business Day immediately preceding <br> that given date, minus any repayment or payment of any of the foregoing made on or before the end of the Business <br> Day immediately preceding that given date and excluding any Flexible Drawings or Further Advances committed to be <br> made but not made by the end of the Business Day immediately preceding that given date. |
| :--- |
| Defaulted Mortgage <br> Loan "Defaulted Mortgage Loan" means any Mortgage Loan with MIA equal to or greater than three. |
| Current Indexed Loan "Current Indexed Loan to Value Ratio" means, in respect of a Mortgage Loan, the Current Balance of that Mortgage |
| to Value Ratio |
| Loan divided by the Indexed Valuation of the Property in respect of that Mortgage Loan. |

Glossary
Indexed Valuation "Indexed Valuation" on any day, the then most recent valuation of a Property securing the Mortgage Loan indexed using the Nationwide House Price Index, "Regional Quarterly Indices (Post '73)"from the date of that most recent valuation until the most recent date for which the Nationwide House Price Index is published by Nationwide on their website https://www.nationwide.co.uk/about/house-price-index or such other information service or website which publishes that index from time to time in place of Nationwide.

Loan Seasoning The number of months since the date of origination of the loan. The number of remaining years of the term of each loan.

Receiver of Rent "Receiver" means a receiver or receiver and manager or administrative receiver of the whole or any part of the Charged Assets.
